

Subject: Request for Temporary Suspension

Dear Mr. Serge Kamgang,

I am writing to inform you of a difficult decision regarding my situation with Utrains. I sincerely appreciate the opportunity you have given me to work within your team and contribute to the support and success of this organization, for which I am truly grateful. This role means a great deal to me personally.

However, with my exams approaching, I realize that my studies require significant attention and resources. Given the results of the first semester, which did not meet my expectations, and the demands of this semester that require even more time and energy, I fear that I will not be able to deliver the quality of work I wish to provide at Utrains due to my academic commitments. I must make a difficult but important choice between my studies and my professional engagement.

Therefore, I respectfully request a temporary suspension of my employment until the end of my exams, which will likely be in July. I would very much like to return after this period to continue contributing to our mission of helping students.

Thank you in advance for your understanding, and I remain available to discuss this request at your convenience.

Sincerely,

Mike Diogni
